

HOW TO GET TO QUINTA – ANALYTICA SITES

General instructions:

- Everyone in our offices speaks English and is ready to help you if you need it.
- For main communication, please use the contact person from whom you have received an official invitation.
- For Wifi connection, use the Quinta.Visitors network with the password **Welcome_To_Quinta**.

Headquarter, Central laboratories and clinical unit

- **Address:** Pražská 1486/18c, Prague 10, 102 00 - CZ
- **Interactive Google map:**
<https://maps.app.goo.gl/VKiygmzAGztMXxBC9>
- **Contact person:** Richard Viskup, Head of QA, +420 737 216 920

- **Vaclav Havel Airport (CZ)** international airport.
- To get to the Prague branch, take public transport from the **Václav Havel Airport** stop to the **Na Groši** stop (*5-minute walk to Quinta*) or use taxi services **Uber** and **Bolt** via mobile app.
- Public transport timetables can be found at [this link](#).

- Prague, main railway station, Wilsonova street.

- We have visitors parking place in front of the main building. A vignette is required on Czech motorways. You can buy it [online](#).

Brno laboratories

- **Address:** Karásek 2296/1n, Brno, 621 00 - CZ
- **Interactive Google map:**
- <https://maps.app.goo.gl/KNAhdAEqc8TKE1yL7>
- **Contact person:** Katarina Malinková, Head of QC Brno, +420 603 940 550

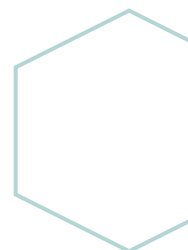

- **Vienna International airport (AT).**
- To get to the Brno laboratories, take the train from Vienna Airport to the Brno Main Station, then take public transport to the Jandáskova stop (15-minute walk), although we recommend using the Uber and Bolt taxi services via mobile app for travel within the city.

- Public transport timetables can be found at [this link](#).

- We have visitors parking place in front of the building. A vignette is required on Czech motorways. You can buy it [online](#).
